

Group Overflow Services

Nearing your cut-off date or in a sold-out situation? **ACVB** has you covered!

Real-Time Booking

Meeting planners are able to provide attendees with a real-time booking solution online and through our Call Center.

Detailed Reporting

Groups receive weekly and final pick-up reports and rooming lists.

Easy to Use

Event attendees can easily locate and book available hotel rooms after the room block release date, and up until the day of the event.

Free Service

Add turnkey inventory to your meeting's website, and gain valuable insight into your event's true pickup.

Accommodate your attendees in 3 easy steps!

1 Branded Link

Includes a custom, branded event link to be integrated on the group site or micro-site for after cut-off and sold out situations.

2 Attendees Book via Web or Phone

Consumers are able to access and purchase real-time inventory through the web and dedicated toll-free number.

3 Weekly Reports

Includes weekly cumulative pick-up reports and rooming list, and a final summary at the completion of the group.

Your simple & complete solution for last minute hotel reservations for conventions and special events.
